AFTER THE BELL PROGRAM

EVOLVE AFTER THE BELL PROGRAM

WHAT IS EVOLVE: AFTER THE BELL?

Evolve: After the Bell is an after-school program designed to get your kids outside and enthusiastic about skateboarding and scooting in a convenient location – their school grounds.

This program is ideally suited for beginners who are transitioning to intermediate. Students will improve balancing techniques, while tackling basic flat-ground tricks, and learning proper equipment care and maintenance.

HOW DOES EVOLVE: AFTER THE BELL WORK?

The program begins with our qualified instructors assessing childrens' skill level. This allows them to create informed skill-based groups. Students will set individual goals for themselves with their instructor and, over the course of the 6-8 week session, they will work towards achieving their goal. Whether it is landing a new trick, learning how to comfortably push or simply being active and having fun after school, our instructors will strive towards ensuring that each student's personal goals are met.

WHAT DO YOU NEED TO RUN AN EVOLVE: AFTER THE BELL PROGRAM?

This program requires 8-20 students, as well as, an indoor or outdoor space with a flat, even surface.
Our equipment will not damage indoor flooring.

WHAT WE PROVIDE

Evolve: After the Bell provides a unique mobile skateboarding and scooter equipment rig, as well as, all necessary safety equipment. This includes pads and helmets. We will provide one instructor for groups containing less than 10 participants. An additional instructor is added to any group containing more than 11 participants.

DURATION: Sessions are available in 4, 6 or 8 week programs.

AGES: Senior Kindergarten – Grade 6

RISK MANAGEMENT DETAILS: \$5M liability insurance, trained instructors (with background checks)

COST: \$25/person per class
